## Need Counseling?

We understand that there are times when the path before us seems unclear and challenging. During these times many of us need a helping hand, a listening ear, and a compassionate heart to help us overcome.

At times we may be doing well in many areas of our life, but struggling in others. These struggles can leave us with feelings of isolation, loneliness, and hopelessness. Our aim at Village Church Counseling is to provide you with the services to help you find the enduring hope you need.

There are answers for dealing with whatever you might be facing. In fact, many of our counselees see significant progress in 8-12 weeks.

In all cases we will address the issues that you are facing from God's word incorporating other resources.

## Our Mission

The mission of the Village Church is to make disciples who go, grow, and overcome. Village Church Counseling desires to come along our counselees to help them overcome whatever may be in front of them - to help them remain unstained by the world (James 1:27), control (1 Pt. 2:11-12) & crucify (Gal. 5:25) their flesh, and resist the Devil (Jm. 4:7).

We are excited by the variety of lay counselors we have. Lay counselors have received varying degrees of training in biblical counseling and continue to pursue various certifications.
